engaging Bible study questions are hard to come by . without  
rewriting questions for yourself. Each book of questions leads a  
small group through a book (or combination of books) in the  
Bible---helping students become more biblically literate, and  
allowing them to come face-to-face with God's Word. Students  
will be pushed, encouraged, and challenged by these studies. But  
more than all this, they will be changed. Each passage of  
Scripture sets the topic---and the questions are constructed to  
help students think deeply, talk openly, and apply what they are  
learning to their lives. Leaders will be able to pick it up and use it  
immediately with kids. Volunteers are looking for good 'book of  
the Bible studies' they can pick up and use in their groups. Grab  
it and go, these studies will meet your students where they are  
and help them see how God's Word can speak to their  
world. Editorial Reviews About the Author With 15 years of youth  
ministry experience, Laurie Polich serves as pastor of small
