Xlibris Corporation, United States, 2004. Paperback. Book Condition: New. 203 x 137 mm. Language: English . Brand New Book ***** Print on Demand *****.In 1966, a young hippie named Sean Delaney arrived in New York City and checked into the YMCA with only \$2.98 in his pocket. Sean became one of the top ten record producers in the music industry, and was in part responsible for signing a little known band to their first six-month contract. The band was KISS, and the rest became history that has forgotten his presence. After years of exile, Sean Delaney, the self-proclaimed creator of theatrical KISS, comes forth thirty years after KISS first exploded onto the music scene and changed the face of rock roll forever, to share his version of the story. HELLBO is Sean Delaney s journey; a journey versed in the trials of lucid mayhem that epitomized a radical lifestyle, and spanned over a broad spectrum of events that led to the creation of KISS. Through revelations of a fractured upbringing, gut wrenching hardships, and big dreams fulfilled, then lost in the irony of success; he survived it all and became the man that nurtured an uncontrollable rock roll monster. HELLBOX tells of formidable betrayals and gives unique insight into a secret alliance that was quite possibly a conspiracy that corrupted the partnerships of the powers that originally guided KISS to superstardom. This is a story that dares to defy the myths that have been passed off as popularized truths in the history of the legendary band. Silenced no longer, the first Director of Rock Roll delivers previously untold tales from behind the mystical veil that shrouds KISS, painting a fascinating and candid portrait that depicts the band s creation while it follows the life of Sean Delaney, one of the...
