Church: A Bible Study Workbook for Kids is a great introduction for children on what church is and why we go. Ideal as an aide to parents, Sunday school teachers, and children s ministry directors, this book teaches children a number of lessons concerning church, such as: What a church is What happens at church What it means to be a part of a church Who can join a church How to join a church Designed especially for kids in grades 2 5, this workbook s activities include a crossword puzzle, maze, coloring page, and true and false questions. Also illustrated are the activities at church and why they are important. Altogether, the lessons and activities help children see that church is not the building that we meet in, but that it s a gathering of people who believe in Jesus. They will understand what it means to be a living part of the Church that Jesus built.\* This book is part of The Children s Workbook series, by Richard Todd, and is most beneficial when used alongside the workbooks, which cover salvation, baptism, communion, giving, and church. They are great resources for parents and teachers who want to teach children of these fundamental Christian doctrines.
