The Body of Christ has reached a point where everything is being labeled anointed. This has caused many believers to become stagnant and complacent. But there is a remnant of frustrated and disgruntled believers who are searching for something more than the hype of what has been labeled as anointed services. They are crying out for more than what the Body of Christ is offering them now. But how can the Body of Christ take someone beyond his or her present limitations? The answer can only be found at the feet of Jesus, where our limitations meet His infinite wisdom and where our anointing takes backstage to the Anointed One. This is the place where His manifest presence can be found. Are you ready for this? If your answer is yes, let God take you to that place Beyond the Anointing Bishop Otis G. Rankin, Jr., and his wife, Lady Debra, pastor First United Gospel Assembly, one of the most dynamic churches in Gulfport, Mississippi. Bishop Rankin carries a 21st century message that challenges change in both spiritual and social development. His pursuit for the greater works and the manifest presence of God has driven him to long hours at the feet of Jesus. Beyond the Anointing was birthed at His feet. Bishop Rankin is founder of Voice of Distinction Ministries, a media and outreach ministry to small struggling churches, both locally and nationally. He can be heard online at each Monday and Wednesday at 12:00 noon (CST). Bishop Rankin and his wife have three children (all married) who have blessed them with twelve grandchildren (ten girls and two boys).
