

## Journal of Gender and Justice, Volume 1

Filesize: 2 MB

### ***Reviews***

*Extensive guideline! Its such a great go through. It is definitely basic but surprises in the 50 % of the pdf. It is extremely difficult to leave it before concluding, once you begin to read the book.*  
*(Fernando Hahn)*

## JOURNAL OF GENDER AND JUSTICE, VOLUME 1

[DOWNLOAD](#)

D.K. Printworld (P) Ltd., New Delhi, India, 2012. Softcover. Book Condition: New. First Edition. India has been labelled as a land of gender inequality and a challenging place for a woman to live. For centuries, social reformers were fighting for women rights and thus taking the country out of this social stigma and injustice, and they invested a lot on educating and empowering women. But they have met with only partial success. The numerous cases of female infanticides, sex-selective abortions and atrocities on women endorse this fact. We have yet to undergo a sea change in our attitude towards the dignity, education, employment and empowerment of women. The society has to appreciate their strength and treat them as quintessentials in nation-building. There is no society in the world in which women do not experience some gender inequality, be it in political, economic, social, or legal fronts. But in many countries, the gender inequality is really acute. Therefore these important issues -- the invisibility, distortion and marginalization of gender as a category of analysis in mainstream disciplines and their canonization -- need serious deliberations. The objectives of Journal of Gender and Justice are both academic and social. It expects to change the present attitude and values in society regarding women's roles and rights to one of equal participation in all social, economic and political processes. It is designed to help in bringing a culture shift in attitudes and values in society regarding women's roles and rights. This "annual" journal from the stable of Banares Hindu University's Centre for Women's Studies and Development, Varanasi, will also target at fulfilling a special responsibility to teachers, who are aware of the need of non-sexiest education, who would pick up the challenge to promote value of equality, including the gender equality. Printed Pages: 183. Size: 15...
