## FACING THE CONGO: A MODERN-DAY JOURNEY INTO THE HEART OF DARKNESS

Random House USA Inc, United States, 2001. Paperback. Book Condition: New. 196 x 130 mm. Language: English . Brand New Book. Faced with an identity crisis in his work and his life, seasoned traveler and journalist Jeffrey Tayler made a bold decision. He would leave behind his mundane existence in Moscow to re-create the legendary British explorer Henry Stanley's trip down the Congo in a dugout canoe, stocked with food, medicine, and even a gun-toting guide. But once his tiny boat pushed off the banks of this mysterious river, Tayler realized he was in a place where maps and supplies would have no bearing on his survival. As Tayler navigates this immense waterway, he encounters a land of smothering heat and intense rains, wary villagers, corrupt officials and dead-eyed soldiers demanding bribes, jungle animals, mosquitoes, and, surprisingly, breathtaking natural beauty. Filled with honesty and rich description, Facing the Congo is a sophisticated depiction of today's Democratic Republic of the Congo, a country brought to its knees by a succession of despotic leaders. But most important, Tayler's stunning narrative is a deeply satisfying personal journey of fear and awakening, with a message that will resonate with anyone who has ever felt compelled, whether in life or in fantasy, to truly explore and experience our world.
