By R a Macfie

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Opyright and Patents for Inventions, Vol. 1: Pleas and Plans for Cheaper Books and Greater Industrial Freedom, With Due Regard to International Relations, the Claims of Talent, the Demands of Trade, and the Wants of the People; Essay on the Origin Progress of Literary Property, by Lord Dreghorn, F The compiler presents the material, more and less valuable, that is piled up in the following pages not as a book to be read through, but only as a depot in which diligent and irksome search for information on two important subjects will be rewarded. Bills on the two cognate subjects of copyright and patent-right are soon to engage the attention of Parliament. These subjects happily have never been brought into the arena of party strife. Yet on this account they have failed to become well understood. Views favoured in this compilation are, if superficial appearance is to be trusted, not entertained generally. Nevertheless they receive support, not in this country only but also abroad. They concern the people far more than most persons suppose. Vital...

### Reviews

*Extensive information for book fans. It is writter in basic words and never hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.*

-- **Otis Wisoky**

*This publication is great. It is full of wisdom and knowledge You will not really feel monotony at at any time of the time (that's what catalogs are for relating to when you ask me).*
