Createspace, United States, 2015. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.The Job Corps program is a job training and academic program for youth ages 16 to 24 who are low-income and have a barrier to employment, such as having dropped out of high school. It is administered by the Employment and Training Administration's (ETA's) Office of Job Corps in the U.S. Department of Labor (DOL). Job Corps seeks to provide disadvantaged youth with the skills needed to obtain and hold jobs, enter the Armed Forces, or enroll in advanced training or higher education. The provisions of the law generally go into effect on July 1, 2015. Until then, the Workforce Investment Act (WIA, P.L. 105-220) specifies how the program is carried out. Job Corps operates on a program year (PY) basis, which runs from July 1 through the following June 30. In both PY2011 and PY2012, the operations account experienced a funding...
