SHARDS AND DUST: NEW SELECTED CHERITA

Bottle Rockets Press, United States, 2014. Paperback. Book Condition: New. 198 x 102 mm. Language: English . Brand New Book ***** Print on Demand *****. shards and dust, a collection of new selected cherita by Larry Kimmel, demonstrates this talented east/west fusionist s flair for a unified literature. The Cherita is a six-line poetic form deriving from the haiku and its related linked forms. Using only 35 of these brief, six-line poems, the poet has created a persona moving through a sort of nano-odyssey of the inner-mind, showing a wide range of emotion and experience -- from homestead memoirs to foreign and domestic travel -- arriving at a spiritual/artistic conclusion. Not necessarily in a strict time-oriented sequence, like memory itself, this fragmented stream of consciousness is one man s meditation on the human condition, done in a concise imagistic and heightened poetic voice.
