

Myths Legends of Tea, Volume 1

Filesize: 7.79 MB

Reviews

It is straightforward in go through easier to recognize. I actually have study and that i am sure that i will going to study yet again again down the road. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Proseyr Publishing, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Gary Robson is both a tea expert and a storyteller. With the Myths and Legends of Tea series, his goal is to create the Grimm s Fairy Tales of tea. Gary is as much in love with the stories of different tea styles as he is with the tea itself. He is frequently found standing in his tea shop telling the tales as they were originally told to him -- or as he found them in the course of reading about tea. Many of these wondrous stories are far too short. The poor farmer who cleaned up a temple and was given Tieguanyin oolong as his reward by the goddess. The mandarin who added bergamot oil to an English earl s tea to compensate for the calcium in the water and created one of the western world s most popular teas. The tea master who performed one last tea ceremony after he was ordered by his daimyo to commit seppuku. He has taken each of these tales and retold it in his own style. Some of the stories are entirely legend, their origins lost in the mists of time. Some are based heavily on fact. Some will be familiar to any tea aficionado. Some are purely the product of his own imagination. In all of them, he focuses on building a sense of the time, the setting, and the characters -- bringing the stories of tea to life. This first volume in the series features seven stories, each accompanied by a profile of the tea featured in the story. The stories span six countries (China, Japan, England, U.S., Taiwan, and Australia) and over 4,700 years.
