# GLOBAL ECONOMY AND DIGITAL SOCIETY

Hardback. Book Condition: New. Not Signed; The effects of Information and Communication Technologies (ICTs) on globalization, innovation, growth and productivity are immense. ICTs contribute to the globalization of production and capital markets by reducing the cost of information and communication. These technologies have certainly made it easier for multinationals and other companies to spread production facilities all over the world, to co-ordinate international marketing campaigns, and to ease collaboration in projects taking place on different continents. While the anti-globalization movement...
