Penguin Books Ltd, United Kingdom, 2012. Paperback. Book Condition: New. 196 x 128 mm. Language: English . Brand New Book. I once travelled back from Africa on a ship with an Irish captain who did not like animals. This was unfortunate, because most of my luggage consisted of about two hundred odd cages of assorted wildlife . Gerald Durrell s accounts of the animals he encountered on his travels were some of the first widely shared descriptions of the world s most extraordinary animals. Moving from the West Coast of Africa to the northern tip of South America - and elsewhere - Durrell observes the courtships, wars and characters of a variety of creatures, from birds of paradise, to ants and anteaters, among others.
