Createspace, United States, 2013. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****.Potty training is a foundational learning experience for toddlers, and making it easy for them can create positive self esteem to last a lifetime. Toidy Tamers! (TM) is the easiest, safest, most inexpensive potty training method on the market today. Created to work effortlessly with the natural, inborn drive to conform, which all human beings possess. No dolls, electronic equipment, or other extraordinary equipment needed. Does not utilize food bribes, so there s no chance of creating subconscious reward eating triggers. Requires setting aside a two day weekend for initial training, plus at least one more day for observation and practice. (More time will likely be required if training is remedial.) This short, easy to read guide provides checklists to make preparation a breeze, as well as a real life training day play-by-play so you can really get a feel for how simple and delightful this method is. Suitable for Moms or Dads, or even a tag-team of family members. Includes tips for potty training boys to stand later on.
