Reviews

This pdf is fantastic. It really is basic but shocks inside the 50 % in the pdf. I realized this pdf from my i and dad encouraged this pdf to discover.

(Hunter Witting)

XQUERY

Pearson Education (US), United States, 2004. Paperback. Book Condition: New. 234 x 173 mm. Language: English . Brand New Book. An excellent, early look at the emerging XML Query standard. The chapters on surprises and gotchas alone are worth the price of admission! -Ashok Malhotra, Architect, Microsoft XQuery is the most important XML standard to emerge in recent years, and is a language with which anyone using XML on a regular basis should become acquainted. Michael Brundage s accessible introduction to XQuery provides enough information on all aspects of the standard, including its dark corners, to allow any XML developer to jump right in and start coding. -Damien Fisher, Kernel Team Member, Soda Technologies Pty Ltd This book does an excellent job of distilling the essentials of XQuery in an understandable, straightforward and easily digestible manner. This book has already become an indispensable part of my library and is a welcome addition to my XML repertoire. -Dare Obasanjo, Program Manager, Microsoft Corporation Simply put, the emerging XQuery standard adds enormous value to XML data and this book is your key to unlocking that value. Here in one stop you will find an accessible introduction to XQuery and a complete reference. Practitioners will particularly value the sections on XQuery idioms and surprises where Michael shares his tricks of the trade. - Dave Van Buren, Project Manager, Jet Propulsion Laboratory It s both a stupendous reference on XQuery and a good read. Michael writes with verve, authority, and an eminently readable style. What a rare delight to discover all this, and in a technical book too! When the sequel comes along, sign me up. -Howard Katz, Owner, Fatdog Software Inc., Editor, XQuery from the Experts (Addison-Wesley, 2003) From corporate IT departments to academic institutions, XML has become the language of choice for storing...
