By Steven Teske

Butler Centre for Arkansas Studies. Paperback. Book Condition: new. BRAND NEW, Natural State Notables: Twenty-One Famous People from Arkansas, Steven Teske, How many famous people from Arkansas can you name? You might think of a few quickly, such as former U.S. president Bill Clinton and Walmart creator Sam Walton. But you may be surprised to find out how many other famous and fascinating people come from Arkansas (or have strong ties to the state). Natural State Notables profiles twenty-one famous and fascinating people from Arkansas, including musicians, athletes, business leaders, and public servants. Among others, readers will learn about a famous surgeon who was a pioneer in kidney transplantation, a woman who kept a hospital open during the Depression, and a teacher who wrote a famous song to match a history lesson. Featured are poor people who worked hard to become successful and a rich man who moved to Arkansas, fell in love with the state, and worked hard to make it better. All of these people are "Natural State Notables," some of the many who have made Arkansas what it is today.
