Brand New Book ***** Print on Demand *****.About the Author william marshe is an Island son of Cape Breton, on Canada s east coast. He spent his early years immersed in a vibrant culture of artists, writers, singers and thespians, where he wrote, directed, acted in and designed many productions. Ed Macdonald, author of Spat the Dummy and Atomic Storybook William Marshe s salt//water will not only resonate for the island born, his insights into modern life and love will speak to all lovers of excellent verse. Full of insight of how landscape is internal as well as external, how the swings in a children s park can conjure the forlornness...
