Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Annual Report of the State Board of Health of South Carolina, 1880 To the Senate and House of Representatives of South Carolina: Gentlemen: In making this the first Report of the State Board of Health, we have to express our regret that it does not show the progress that might have been expected. We have met with many disappointments, many vexatious delays, and much opposition where we had every reason to expect support. We are, however, happy to state, that many of the obstacles met with have been removed, and we have every reason to believe that hereafter we will be able to accomplish, at least in a measure, the high objects for which our Board was instituted. From a review of the minutes of the Executive Committee, you will learn that its principal work has been directed to the establishment of a thorough sanitary organization of the State, each section of which is now placed in direct communication with the Central Committee. There was necessarily much clerical and other labor expended in the accomplishment of this object, but we congratulate you upon the fact, that there are now thirty-six Sub-Boards organized, and in active working order, in twenty-five Counties of the State. The remaining vacancies are in process of being filled, and efforts are being made to place the entire organization in an effective condition for sanitary work. The medical gentlemen who have accepted positions on the sub-Boards, have been selected for their high position, social as well as professional; the laymen chosen being active, energetic citizens, whose cooperation in the grand enterprise will be of immense value. It is a very wise provision...
