This follows of necessity from the rapid development of the solidarity of the social world. The earthquake in San Francisco shakes the financial centers of London and Berlin. The miseries of Mexico afflict the citizens of the United States. The outbreak of the plague in Singapore turns the people of New Orleans into rat catchers. The roar of cannon in France awakens the echoes of exploding shrapnel in South Africa and Kiau Chau. The closing of the Dardanelles increases the price of bread in Chicago and Pekin. The fierce desperation of Germany not only destroys the lives of a million of her foes, but condemns a hundred innocent citizens of the United States to instant execution. The devastation of Belgium starts a beneficent golden stream of ten million dollars a month in America. St. Paul s declaration applied to the Christian church, None of us liveth to himself, and none...

Reviews

An exceptional pdf and the typeface utilized was fascinating to read through. It can be written in straightforward words and phrases instead of confusing. I am just quickly could possibly get a delight of looking at a written ebook.

-- Prof. Arlie Bogan

It is in a single of the best book. This is for those who state there had not been a well worth reading through. Once you begin to read the book, it is extremely difficult to leave it before concluding.
