Brand New Book ***** Print on Demand *****.Excerpt from Catalogue of Plants in the Two Metropolitan Gardens, the Brisbane Botanic Garden and Bowen Park: Arranged According to Bentham and Hooker s Genera Plantarum, ; Interspersed With Numerous Notes on the Uses and Properties of the Plants In presenting a catalogue of the plants in the two Metropolitan Gardens, the Brisbane Botanic and Bowen Park, the compiler thinks it may be well to make a few prefatory remarks, especially as he has not followed the usual practice of giving only a dry list of scientific names - to the many a dead language. Wherever a local name is known he has given it, but has not thought it advisable to follow the usage of those who, failing to find a local name, give a free translation of the scientific one in lieu thereof; when no local name is known for a plant it is as well that the public should understand and use the scientific name, which has the advantage of being the one used by all nationalities. The numerous notes on the properties and...
