Every choice leads to a different ending. Kids can decide whether they like how the story turns out -- or whether they want to go back and try another way of solving the problem. The stories also give adults an opportunity to ask children what other solutions they can suggest.When something disappears out of your lunch box or your locker or your desk every day, you'd like to say, "No big deal". But even minor theft is a big deal to kids. Amy's Disappearing Pickle shows children several different ways of ending an annoying problem.
