GENE OF ISIS

Bolinda Audio, United States, 2015. CD-Audio. Book Condition: New. Unabridged. 171 x 133 mm. Language: English . Brand New. Mia Montrose is a 21st-century Australian woman with a Doctorate in Ancient Languages who has just scored the most promising job of her career. When Mia experiences mysterious happenings and forces beyond her control, she begins to understand that history does not always stay in the past. Ashlee Granville is a 19th-century clairvoyant, forced to suppress her talents as she enters the marriage market of English upper-class society. Lillet du Lac is a 13th-century woman, priestess of an ancient order now protected by the Cathar faith, who are making their last stand against the Roman Catholic Franks at the giant hill fort of Montsegur. Despite the time, distance and cultures that separate them, these women have several things in common. They belong to an ancient bloodline of Grail kings, protected by a Sion knight named Albray, and they are each compelled to visit an ancient mountain in the Sinai. This mountain contains the keys which may unlock a gateway to a dimension of light and the Gene of Isis.
