Daughter of the Story (Complete Works) is a famous children's literature writers & Shanghai Normal University & Professor & Mei Zihan of the most representative works of one. Chapter from the book on the story of her daughter. and next I tell you to listen to the story of synthetic & about the hero Meisi complex as a student came all the way to grow & as well as parents & companions all the way to the attendant joy & hardships and helpless. It is a novel anti-authors over the years & the fascination with narrative techniques and operation of a fictional character to give up the plot to give up the art of pioneer experiments & all the way to restore the true life and trivial. Interestingly & these very rules of operation not only does not harm the story of his daughter as a novel should have the characteristics of growth & but growth unexpectedly created a novel way different kind of speech. These very everyday experiences available to the author a free & casual narrative space & and the author's indulgent & humor will occur in the speech flow into the issue of exciting light. Its narrative highly individual experience and the unique humor Medvedev in children's literature has become a paradigm. Contents: Thank you & father daughter daughter's story did not resume when the green school math math math cadres Yuan Laoshi true story of Mr. Cao Dimin revolution still in wah-wah I do not say aloud the story of the sports story of the piano a little sleep sports t prose in mobile phone Gradually I...
