The Exodus Towers features all the high-octane action and richly imagined characters of The Darwin Elevator --but the stakes have never been higher. But they are soon under attack from a roving band of plague-immune soldiers. Cut off from the colony, Skyler must wage a one-man war against the new threat as well as murderous subhumans and thugs from Darwin--all while trying to solve the puzzle of the Builders master plan . . . before it's too late for the last vestiges of humanity.
