Silkworm Books / Trasvin Publications LP. Paperback. Book Condition: new. BRAND NEW, Thai Sex Talk: The Language of Sex and Sexuality in Thailand, Pimpawun Boonmongkon, Peter A. Jackson, Timo Ojanen, The Thai language has extraordinarily rich, varied, and multi-levelled vocabularies for sexual anatomy, behaviours, identities, and attitudes. The authors of this in-depth study deal directly with the language of sex in Thailand in all its raw, sometimes humorous, and often derogatory immediacy. The registers of spoken Thai (phasa phut), the language of the marketplace (phasa talat), official discourse (phasa ratchakan), literary usages (phasa khian), and technical and academic vocabularies (phasa wichakan) are all covered. Much more than a vocabulary list, this book engages the language of sex and sexuality in Thailand from critical feminist and queer studies perspectives. The authors take the positions of women, men who love men, women who love women, and transgenders as standpoints from which to critique the dominant male-centred and hetero-normative structures of Thai sexual culture. Thai Sex Talk showcases the path-breaking research that a new generation of Thai scholars is conducting on the country's sexual cultures. Pimpawun Boonmongkon is director of the Center for Health Policy Studies at Mahidol University, Salaya Campus. Peter A. Jackson is professor of Thai cultural studies at the Australian National University.
