During the Civil War, the writer was stationed with his company at the Northern edge of the swamp, and a family of nine negroes came into our lines, the seven children of which had never looked upon the face of a white man before. Now all is changed. The canal has drained thousands of acres of the richest land in the state of Virginia. Lumber companies, by lateral ditches to float out the logs, have penetrated far into the interior of the swamp, and hamlets are springing up along the canal bank. The water in the canal, colored by the roots of the juniper, is of a dark, rich, wine hue. In former years this was thought to be the best water for seagoing purposes in the world, and navy vessels bound on long cruises, always filled with water from the Elizabeth River,...
