

SharePoint 2007 and 2010 Customization for the Site Owner

By Michael T Smith

Microsmith, Inc. Paperback. Book Condition: New. Paperback. 402 pages. Dimensions: 9.3in. x 7.5in. x 0.9in. Finally a book for the Site Owner! There are many books for administrators, developers, designers and end users, but few for the site owner. This one is for you, the SharePoint site owner and the SharePoint power user. Its also for the developer who does not want to reinvent the wheel and create a complex solution when a simpler one is available. Its for the SharePoint administrator who is always asked to do the impossible! This is not a branding book, but everything here can be used as part of your site design. Customization you can do! This book is designed to get you started in customizing your SharePoint site with the tools you have readily at hand. This book has complete copy and paste solutions, and it also shows how each solution was crafted and how it works. After working through a few of the customizations and picking up some basic skills, you can start to figure out how SharePoint has been put together and start creating your own customizations. Everything in this book can be done by a Site Owner or a Site Collection...
