Theoretical and Physical Chemistry (Classic Reprint)

By S Lawrence Bigelow

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Theoretical and Physical Chemistry Many fundamental principles which apply in all branches of chemistry are given in the first course, but, of necessity, they are presented more or less didactically. Students at that time have so small a knowledge of the facts of chemistry they cannot be expected to understand the full significance of these principles, and they usually forget them quickly. In the sophomore or junior year conditions are otherwise, and at this stage they appreciate a critical consideration of these half-learned, three-quarters forgotten, fundamental principles, and both value and enjoy following the reasonings which lead to others. Such critical studies develop the habit of right thought and tend to diminish the number of those who memorize and recite parrot-fashion but will not think. For these reasons the writer believes a course of lectures in elementary theoretical and physical chemistry should follow the first courses in general chemistry and qualitative analysis.: This book is intended for use in such a course and is addressed to students who know a little chemistry. It comprises about...
