### **Reviews**

*This publication is worth getting. it was writtern really flawlessly and valuable. Its been designed in an exceedingly easy way and is particularly only right after i finished reading this ebook through which in fact altered me, affect the way i believe.*

*(Lester Ebert)*

## **JOURNAL OF DU ROI THE ELDER, VOL. 15: LIEUTENANT AND ADJUTANT, IN THE SERVICE OF THE DUKE OF BRUNSWICK, 1776-1778 (CLASSIC REPRINT)**

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Journal of Du Roi the Elder, Vol. 15: Lieutenant and Adjutant, in the Service of the Duke of Brunswick, 1776-1778 This Journal of Du Roi the Elder has been found in one manuscript only, that now is in the possession of the Library of Congress. The translation has been made, and is here published by the permission of Dr. Herbert Putnam, the Librarian of Congress, and of Dr. Hunt, Chief of the Manuscript Department, and at the instance of Dr. Joseph G. Rosengarten, of Philadelphia. The names of Du Roi the Elder and Du Roi the Younger, which seem to have escaped many of the compilers of the lists of the officers in the English service in America during the American Revolution, appear in the lists of this journal. The journal contains much valuable information, as Du Roi was an exceptionally close observer and did not, like many of the diarists of that period, fill up his pages with irrelevant matter. The observations on the flora and fauna of Canada will doubtless prove interesting to students in those fields, and the English portion at the close of the journal, besides furnishing valuable details, will serve as a curious example of the English employed by the German officers. The photographic reproduction of the first page of the journal and of the plan of battle at Albany will be self explanatory. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
