Simon Schuster Ltd, United Kingdom, 2005. Paperback. Book Condition: New. 168 x 109 mm. Language: English . Brand New Book. The U.S. military has discovered ancient ruins beneath Antarctica - and activated the ultimate weapon. Dr Conrad Yeats, an iconoclastic American archaeologist, is called upon by his estranged father, USAF General Griffin Yeats, to explore the hidden world beneath the ice. Joining them is Conrad s lost love, Serena Serghetti, a beautiful Vatican linguist with secrets of her own. Together they must brave unimaginable dangers as they race to unlock the origins of human civilization before a global cataclysm ends it. Combining the hyper-realism of a techno-thriller with the soul of adventure, RAISING ATLANTIS is a turbo-charged narrative that introduces readers to compelling, conflicted characters and takes them on a pulse-pounding journey to an astonishing, earth shattering revelation.
