Brand New Book ***** Print on Demand *****.Excerpt from *Adnominatio in the Plays of Plautus: With Special Reference to Questions of Pronunciation and Orthography* Such a classification is made on good authority, as has been shown above, and is required by necessity, for all these various forms alike derive their force from the same principle, the intensive repetition of the same or similar sounds whether with the same or different meanings. See Volkmann ap. v. Muller, *Handbuch d. klass. Altertumsiriss.* II, 3, 3d ed., pp. 45 - 46. An earnest effort has been made to obtain a correct definition of the term *adnominatio*, but if this object has not been fully attained, the results of our principal study can scarcely be affected seriously, because of the fact that our investigation is not concerned primarily with *adnominatio* itself but rather with questions of pronunciation and orthography in the light shed upon them by figures of speech based upon the principle of repetition of sound. The Nature Of The Evidence Employed. The nature of *adnominatio* does not encourage us to expect definite and positive conclusions as the result of a consideration of our subject. If this figure were always based on words pronounced exactly alike it would furnish indubitable evidence as to pronunciation and orthography. But such examples are rare. Many differ slightly, while others have only a little resemblance. Consequently, the strongest argument that can be fairly employed in any given case is that, an example of *adnominatio* being intended by the author, he would wish it to be as effective as possible, and it would be the more effective by just so much as the two words might be more nearly alike. Therefore we...
