

Nobody's Perfect: Stop Trying to Be Perfect and Embrace the Reality of Imperfection

By Dan Noble

Createspace, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.Nobody's perfect: Stop trying to be perfect and embrace the reality of Imperfection Have you ever wondered why life is so much more fun when we stop trying to be perfect? This became the motivation for me to write this book as I was fascinated by how hard people were trying to be perfect rather than working on becoming themselves. This book is intended to be an exceptionally delicate yet exhaustive manual which shows that being full of mistakes and imperfections only proves that you are human and are real. It contains stories of people who have struggled with and finally accepted the force of grasping imperfection and vulnerability. Notably, achieving a state of self-belief and acceptance of imperfections can be a daunting task but it can be honed and learned through determination. This book contains proven steps and strategies of how to embrace vulnerability and acknowledge that vulnerability is not weakness. Markedly, being an imperfectionist does not mean doing things wrong or in a manner which is below standard. Imperfectionists only achieve a hard-won objective of...

Reviews

An exceptional pdf and the typeface utilized was fascinating to read through. It can be written in straightforward words and phrases instead of confusing. I am just quickly could possibly get a delight of looking at a written ebook.

-- Prof. Arlie Bogan

It is in a single of the best book. This is for those who state there had not been a well worth reading through. Once you begin to read the book, it is extremely difficult to leave it before concluding.
