Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

WATCHING MONTY

The History Press Ltd. Hardback. Book Condition: new. BRAND NEW, Watching Monty, Johnny Henderson, Jamie Douglas-Home, Johnny Henderson spent four years during the Second World War as aide-de-camp to one of Britain's most famous soldiers of the twentieth century, General Bernard Montgomery - or 'Monty' as he was popularly known. Shortly before he died in 2003, Henderson wrote about his time with Monty at Tac HQ. His account takes the form of a series of insightful anecdotes and brief pen sketches that give a fascinating and often humorous window on life with Monty and those with whom he worked, or came into contact with, during the war years. These people range from King George VI, Winston Churchill and Sir Alan Brooke, to Eisenhower and the German surrender delegation on Luneberg Heath. Drawing on his own unpublished private photograph albums and the photographic collections of the Imperial War Museum, Johnny Henderson relates his time as Monty's ADC, from the Western Desert to Berlin, in the form of a photographic anecdotal scrap book. His pithy observations of life at Tac HQ make a unique contribution to our understanding of what made Monty 'tick', and shows us a less well-known but lighter side of the great man.
