Making Connections Level 3 Student's Book: Skills and Strategies for Academic Reading: 3 (3rd Revised edition)

By Kenneth J. Pakenham, Jo McEntire, Jessica Williams

Cambridge University Press. Paperback. Book Condition: new. BRAND NEW, Making Connections Level 3 Student's Book: Skills and Strategies for Academic Reading: 3 (3rd Revised edition), Kenneth J. Pakenham, Jo McEntire, Jessica Williams, Making Connections teaches an extensive range of reading skills and strategies in order to prepare students for college reading. The current series takes students from a low-intermediate to a low-advanced level of academic reading skill proficiency. In December 2015 two new levels - high beginning and advanced - will be added to the series. The series contains a strong focus on vocabulary-building, including teaching words from the Academic Word List. It emphasizes critical thinking and increased reading speed. The series has a unique unit structure. At the outset of each unit, students are presented with and practice key reading and vocabulary-building skills. As students read the texts following these sections, they apply these skills by completing exercises in boxes in the margins of the readings, so that students literally have to apply the newly-learned skills 'while reading.'

Reviews

An incredibly wonderful book with perfect and lucid explanations. It normally is not going to price a lot of. I am just very happy to tell you that this is the greatest pdf we have go through within my personal lifestyle and could be he finest book for at any time.

-- **Bart Lowe**

This is basically the greatest pdf i actually have go through till now. It is definitely simplistic but surprises within the fifty percent in the ebook. I am easily will get a delight of studying a published ebook.
