Reviews

A high quality pdf as well as the typeface applied was exciting to see. It really is written in simple words and phrases rather than difficult to understand. You will not really feel monotony at any time of your time (that's what catalogs are for relating to in the event you question me).

TECHNOLOGY INTEGRATION IN EDUCATION

DOWNLOAD

2005. Hardcover. Book Condition: New. 296 This book presents effective research based strategies for integrating technology resources and technology based methods into everyday classroom practices. It is written from the teachers perspective making it ideal for computer users. The focus is not using technology for technologys sake, but integrating technology into the classroom. A very balanced approach technology is used to enhance education just by simply bringing it into your classroom. Designed to help teach both theoretical and practical characteristics of technology integration strategies. About The Author:- Prof. Ramesh Chandra, was born in a family of freedom fighters on July 1st. 1957 in village Bijwara, District Meerut of Uttar Pradesh.
