Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Our Presidents and Their Mothers This interesting volume will find its way straight to the hearts of those fortunate enough to have experienced the deathless devotion and unerring guidance of a mother s love. It will rekindle tender sentiments that perhaps have merely smouldered under the heavy weight of life s dull cares and everyday, matter-of-fact affairs. It should serve as an inspiration toward a reconciliation with the whole-some rules of living first uttered at the cradle and later understood in the play-room. Finally, it must throw a penetrating light on the reasons for the greatness of the Great, uncovering those wholesome influences that make possible the carving of truly eminent characters, through shaping shaping early impressions. Not from motives of gratitude alone, but as a matter of historical accuracy, most of our American statesmen freely admit that many of their personal characteristics which the world terms worth while constituted the love-given legacy of an idolizing mother.
