*It is one of my favorite publications. Indeed, it can be playful, nonetheless an interesting and amazing literature. I discovered this publication from my father and he suggested this publication to understand.

## CRIMINAL PROCEDURE: INVESTIGATION, SECOND EDITION

Wolters Kluwer Law & Business. Paperback. Book Condition: New. Paperback. 804 pages. Dimensions: 10.0in. x 7.4in. x 0.9in. Written in the student-friendly style that characterizes Chemerinskys Constitutional Law casebook, Criminal Procedure: Investigation features cases, minor cases, and author-written essays while omitting both notes in the form of rhetorical questions and excerpts from law review articles. The chronological organization moves through the investigation process. Dynamic text guides students through understanding the law with tightly edited cases, samples of legal pleadings arguing the issues, and perspectives from prosecutors, defense, counsel, judges, police, and victims alike. Each chapter has a consistent, systematic approach, beginning with an introduction laying out the nature of the issue, followed by a discussion on the history and development of the law. Then, examples of recent and seminal cases reveal how key criminal procedure issues have been raised, and an analytic approach toward resolving each issue shows what worked and why. The Second Edition has been thoroughly updated and provides analysis of the impact of important recent decisions, such as Arizona v. Gant, Herring v. U. S. , Berghuis v. Thompkins, Maryland v. Shatzer, Montejo v. Louisiana, and Perry v. New Hampshire. In addition, the Second Edition examines new decisions affecting right to counsel. New supplemental handouts and practice materials are available on the companion website. Features: Written in the approachable style of Chemerinskys Constitutional Law casebook features cases and minor cases offers author-written essays omits both notes in the form of rhetorical questions and excerpts from law review articles Organized chronologically through the investigation process Dynamic text guides students through understanding the law tightly edited cases perspectives from prosecutors, defense, counsel, judges, police, and victims Consistent systematic approach to topics in each chapter an introduction laying out the nature of the issue discussion of the history and development of the law examples of recent...
