It can bring out the worse in us or the best of us. Marriage is what many pray for and what many others run away from. Marriage is the blending of two souls and two heartbeats into one. This has worked well for some and not so well for others but remains a necessity for any marriage to survive in a society that seems to be anti-marriage, selfish, and loveless. Your marriage can be strong, it can thrive and it can last but it takes someone who is willing to roll up their sleeves to do what is necessary. Marriage is sacrifice and if it is to be a successful one, build an altar and offer up everything that would dare to stand in its way.
