Arcadia Publishing (SC), United States, 2004. Paperback. Book Condition: New. 229 x 160 mm. Language: English . Brand New Book. From its beginnings as a regional spa resort and an exclusive community of wealthy tobacco and textile families, Winston-Salem s West End has become an island of calm in the midst of a bustling Southern city of 200,000 residents. Built around one of the first electric streetcar lines in the country, the West End boasted Millionaires Row, where the Reynolds and Hanes families kept homes bought with manufacturing fortunes. When urban re-design and the aging of the neighborhood in the 1960s threatened the West End s streetscape, local residents and friends stepped in to preserve its beauty.
