Brand New Book ***** Print on Demand *****.Just Go, Go, Go! - Become a Wonder-fuelled company by following the radical ideas of Alec Wonder, Super-Consultant, widely recognized as: .the grease on the cogs of industry. Just Go, Go, Go! is the antidote to all those pretentious business books. In this book you will come across radical ideas and home truths about business through the warped mind of fictional business guru Alec Wonder, a failed and pompous consultant who has helped some of the world s best known, and sadly missed, companies. Just Go, Go, Go! also contains over 100 gems of business wisdom to enlighten your day, such as The sh*t will always hit the fan, stay away from the fan. Case studies in the book demonstrate how Alec Wonder has turned his bizarre theories into success (for Alec, not his clients). Just Go, Go, Go! is for anyone who has worked for a psychotic boss, with an overpaid consultant or suffered from the latest management theories. Students of business should read this book in order to treat theories with the right level of suspicion. Through humor and satire Alec Wonder points out some realities of business and the reader learns from his mistakes and disturbing ideas. Alec wonder is a...
